MARYVILLE, MISSOURI, WEDNESDAY, NOV. 17, 1915.

NO. 143.

CHARITIES JOINED IN WELFARE BOARD

ONE REPRESENTATIVE FROM
EACH CHURCH AND CLUB.

F. P. ROBINSON, PRES.,
MISS OREAR, SEC'Y.

Mrs. G. A. Nash Elected President—
Emeritus and Resolution of Appreciation for Old Board Passed.

The re-organization of the city charity board into the Maryville welfare board, with a more representative membership, was completed last night at the Commercial club rooms. F. P. Robinson was elected president.

Membership in this board will be open to one representative of each of the following organizations: First Methodist church, Buchanan Street Methodist church, Baptist church, Presbyterian church, Christian church, St. Patrick's church, St. Mary's church, Maryville Commercial club, Twentieth Century club, P. E. O. society, M. I. Circle, Mothers' Circle, Daughters of the American Revolution, the public schools and the city administration.

Such organizations will be considered as members only in case they select annually a representative on this board. The mayor of the city shall, by virtue of his office, be the representative of the city. Any other organization which may apply for membership may be admitted by a majority vote of the board at any meeting.

A resolution of thanks and appreciation to the old charity board was adopted last night. All of the members of the board co-operated heartily in the re-organization into a central bureau of more modern methods of charity. They were: Mrs. G. A. Nash, who has been connected with the charitable work in Maryville for thirty-six years; Mrs. A. R. Perrin, Mrs. J. D. Frank, Miss May Orear and Mrs. G. H. Colbert.

The other officers beside the president were: G. B. Holmes, vice president; W. R. Jackson, treasurer, and Miss May Orear, secretary, who were elected by the executive committee. One other member of the executive committee, a finance committee of three and the eight investigators will be announced soon by the president.

Beside the officers and old charity board, the following were present: G. B. Baker, J. H. Thorp, Mrs. M. G. Tate, Mrs. J. E. Melvin, Mayor U. S. Wright. Some of these are permanent representatives of the organizations composing the board and others temporary. A full list of permanent delegates to the board will be made public soon.

The executive committee consists of the president, vice president, treasurer, the mayor of the city and one other member, to be selected by the president from the membership of the organization.

Eight or more persons shall be appointed annually by the president, to be known as welfare investigators, who shall keep in touch with the needs for relief in such territory as may be assigned to them by the president, and shall, at the request of the president

or secretary, investigate any calls for relief.

No member of this board will receive remuneration in any form, except that the executive committee may, in its discretion, pay the secretary such amount as it may deem proper. The executive committee may employ such investigators or visiting nurses as it may deem necessary and pay them therefor; and such investigators or nurses may be selected from the membership of this board or otherwise.

Its object shall be to look after the moral and physical welfare of the poor and unfortunate of the city of Maryville, and to administer such aid as may be deemed necessary from time to time.

For the purpose of conducting the work of relief of those in distress, the board shall solicit and receive contributions and donations of money, clothing, fuel and provisions and such other articles and commodities as may be useful in said work.

An annual meeting and election of officers shall be held on the second Thursday of October in each year. Audited reports of the treasurer will be published yearly. All vacancies occurring during the year in any office shall be filled by the executive committee.

Mrs. G. A. Nash has been elected President Emeritus of the Welfare Board by the Executive Committee in recognition of her thirty six years of active work in Maryville. The members of the Executive Committee expect her to assist them in an advisory capacity. Mrs. A. R. Perrin has been appointed as a member of the Executive Committee of the Welfare Board.

\$1.15 TO ST. JOE., NEW RATE

New Passenger Rate of 2½ Cents a
Mile Becomes Effective January 1.

The order of the state public service commission in the railroad rate case, in which certain increases were allowed in both passenger and freight rates, effective January 1, will affect passenger rates on both the Wabash and Burlington out of Maryville, the new rate being 2½ cents per mile instead of 2 cents a mile. The fare to St. Joseph on the Burlington will be \$1.15 instead of 92 cents after the first of the year.

The commission also issued an order effective yesterday, permitting the Great Western to sell through tickets again from St. Joseph to Maryville, via Conception Junction and the Wabash, for \$1.25. This order, in effect some months ago, was revoked, and the passengers for Maryville over these lines had to buy a ticket from St. Joseph to Conception Junction for \$1.12 and from that point to Maryville the cost was 28 cents.

CRUSHED IN LOADING STOCK.

Engine Backed Up, Catching J. O.
Thompson of Guilford.

J. O. Thompson, a prominent stock buyer of Guilford, was seriously injured while loading stock at Guilford Monday. The engine backed up and crushed him between the car and the stock chute. He was injured internally.

Mr. Thompson is resting easily today and it is expected he will recover, although the accident is regarded as quite serious. He is no better today.

B. H. Mooney, Mrs. Mooney and baby left this morning for Kansas City, where they will make their home.

INSTITUTE AND FAIR

CO-OPERATION OF TWO FARM EN-
TERPRISES PROPOSED.

WOULD AVOID CONFLICT

Corn Show Also Applies for State Aid
—Would Give Lecturers Large
Audiences.

A proposition for the co-operation of the Maryville Nodaway County Fair and Agricultural association, the State Normal school and the Nodaway County Agricultural and Domestic Science association, is being discussed by leaders in the three organizations.

The tentative plan is for the Nodaway county fair to be held about a month later and the Farm and Home Institute a little earlier, also the corn show and the domestic science exhibits. This was talked of last year and has been revived by the sale of the shares by which it is hoped to give the fair a general controlling ownership from all over the county.

The conditions are this way: The Farm and Home Institute needs farmers to attend. A fine course is put on by the Normal every year complete in every detail except audiences. The meeting of the Teachers' association this year gave the necessary hearers, but few of the real farmers of the county showed any interest.

On the other hand, the fair desires a higher tone and a more educational atmosphere than it has had. By having lecture courses in the morning under the auspices of the State Normal school and the regular features of the fair in the afternoon, an attraction would be offered which would increase the crowds at the fair and give the speakers at the institute real farmers to hear their agricultural addresses.

Another difficulty could be obviated in the applying for state aid for the prizes. The county fair and the corn show each make application for state aid in the awarding of prizes. A joint exhibit would be a benefit to both associations.

If nothing is done with the merging of the institute and corn show, it is probable that the fair will add educational features in the way of lectures and illustrated speeches by men from the college of agriculture to their morning attractions.

For it is the hope of a number of the owners of stock in the Maryville Nodaway County fair that the institution may be made more public spirited and more a possession of the people of the whole county. That was the principal reason for the placing of a controlling interest in the fair upon the market.

J. A. Ford, vice president, and J. F. Roelofson, secretary, have experienced little difficulty in selling shares where they have made a personal solicitation, but it is their desire that the people should want the shares enough to apply for them.

This interest has not been shown yet, but it is believed that the proposition is being discussed all over the county, and that action will follow when the public spirited men have been able to think the matter over thoroughly.

A desire is heard in the discussions on the street and in public places that all of the stock be offered for sale and that the entire ownership be by citizens of the county who would own the fair not as a money making proposition but as a public enterprise, to give the county an even better fair than it has been the last two years, by putting the surplus earnings into better attractions and increased facilities.

MOTORED TO DES MOINES.

Mr. and Mrs. O. G. Willhoite and daughter, Leora, and Mrs. M. J. Willhoite returned Saturday from Des Moines, Ia., after a ten days' visit with Mr. and Mrs. F. M. Taylor and other friends.

The trip was made in Mr. Willhoite's Oakland car in ten hours each way without puncture.

Mrs. Albert Baker left last night for Arkoe, where she will visit Mrs. Mollie Amos.

'MOOSERS' WILL MEET

Several From Maryville Will Probably
Attend State Meeting of Pro-
gressive Party at Kansas City.

A number of Maryville Bull Moosers are planning to attend a state meeting of the Progressive party in Kansas City Saturday. Fred P. Robinson, John H. Sewell and Nathaniel Sisson will probably go from Maryville.

It is expected that every county in the state will be represented at the meeting. There will be talks by George W. Perkins of New York, "angel" of the Bull Moose party in 1912; Albert Norton of St. Louis, who was the Progressive nominee for governor in 1912, and I. R. Kirkwood of Kansas City, son-in-law of the late W. R. Nelson, owner of the Star.

It will be a "get-together" meeting, with a view to outlining plans for next year's campaign, and to receiving reports on Progressive sentiment in various sections of the state.

NORMAL'S 10TH YEAR

ANNIVERSARY TO BE CELE-
BRATED JUNE 13, 1916.

LOCATING BOARD INVITED

Presidents of Other State Schools and
Many Prominent Men Probably
Will Come.

June 13, 1916, will be the tenth anniversary of the opening of the first session of the Fifth District Normal School in this city. The first session was in the summer of 1906 with an enrollment of 273; the tenth summer session, 1915, had an enrollment of 540.

Plans are being instituted for a fitting celebration of the closing of the first decade of the school's history. They are only in the formative state, but it has been definitely decided that the growth of the school in equipment, standing, and environment fully justifies rather marked exploitation and recognition throughout the district.

The graduating classes of 1916, in conference with President Ira Richardson yesterday, voted to change the date of the Commencement of 1916 from May 21-23 to June 11-13. This will be two weeks after the beginning of the summer quarter and will give the summer students the privilege of attending the Commencement exercises. The usual exercises will be held with such other events befitting the occasion as may be determined later.

The board of regents will be asked to consider plans at their next meeting, and the Alumni association will work for a large attendance of the alumni and former students.

Members of the locating board and of former boards of regents will be asked to be present with the presidents of the other state educational institutions and many others who have interests in the school.

WILLIAM BLOOMFIELD DEAD.

Body of Former Resident Brought to
Parnell for Burial.

The body of William Bloomfield, who died Saturday at the home of his daughter, Mrs. Fred Carson, in Edmond, Okla., arrived in Parnell today and was taken to the home of his son, F. A. Bloomfield. Funeral services will be held tomorrow at Orrsburg. Burial will be in the Orrsburg cemetery.

Mr. Bloomfield was 78 years old and was an old resident of Nodaway county, having lived near Parnell until about fifteen years ago, when he moved to Oklahoma. He is survived by five children, F. A. and W. E. Bloomfield, Parnell; Mrs. I. M. Hefflin, Ravenwood; Mrs. Abner Burch, Lorena, Okla.; and Mrs. Fred Carson, Edmond, Okla. Mrs. Bloomfield died twenty-six years ago.

Returned From Iowa.

Mrs. Will Wallis, Sr., returned last night from Atlantic, Ia., where she has been the guest of her daughter, Mrs. L. C. Allender.

JOINT COUNCIL MET

FRENCH AND ENGLISH WAR LEAD-
ERS DISCUSS BALKANS.

GREEK, ANTI-KING RIOTS

Patras, Political Stronghold of Veni-
zelos, Protests Constantine's Poli-
cies—Night Duels in West.

Special to The Democrat-Forum.

Paris, Nov. 17.—The Balkan situation was the topic of discussion of the first joint meeting of the English war committee and the French military board, which was held here today.

Premier Asquith, Lloyd-George, Balfour and Sir Edward Grey were the members from Great Britain. This new policy is in line with the desire for greater co-operation among the allies.

News was received of three night artillery duels on the west front, and that a powerful Russian fleet was bombarding the Bulgarian Black sea coast was stated in a Bucharest dispatch.

Anti-King riots in Greece.

Athens, Nov. 17.—News of anti-dynastic riots against the king followed today's announcement that Constantine had expressed a desire for a discussion of the military situation with Kitchener.

The center of the disturbance was at Patras. The report indicates the king's inclination to adopt a less uncompromising attitude toward the allies.

Bulgarians Capture Another.

Sofia, Nov. 17.—Prokupie, a Serbian town twenty miles from Nish, has been captured by the Bulgarians.

WM. CRAWFORD, 73, IS DEAD

Old Resident Succumbs to Attack of
Pneumonia Today—Funeral Ar-
rangements Not Made.

William E. Crawford died at his home at Graham this morning at 10:30 o'clock. Pneumonia was the direct cause of his death.

Mr. Crawford was born in Pennsylvania in 1842, and was 73 years old. In 1844, with his parents, he moved to Ohio. He enlisted in the Twelfth Ohio cavalry, and participated with his regiment in the capture of Jefferson Davis. He received his discharge at Nashville, Tenn., in 1865.

He returned to Ohio and in 1868 moved to Andrew county, Missouri. In the spring he purchased a farm near Graham, where he has since resided. He was married three times, and to the first union were born three children, to the second two, and to the last four.

He is survived by his wife and nine children, all of whom were at his bedside but John H. and Lloyd of Otis, Col., and Mrs. J. E. Davis of Spokane, Wash. The children are, besides the above named, Mrs. Mary Bell, Plattsburg, Mo.; Mrs. Josie McGrew, Maryville; Mrs. Ed McGoff, Barnard; Mrs. Roy Liggett, Stanberry, and Charles, Ed and Emmett of Graham.

Funeral services have not been arranged.

JOHN HENRY ALLEN DIES.

Old Resident of This County Succumbs
to Long Illness.

John Henry Allen died at the home of his son, Robert Allen, near Bedison, last night at 6:40 o'clock, after a long illness. Cancer of the liver was the cause of his death.

Mr. Allen was born in Illinois and had been a resident of this county thirty-four years. At the time of his death he was 71 years old. The funeral services will be held at the Bedison church Thursday morning at 10 o'clock. Burial will be in Miriam cemetery.

Announcement

We are authorized to announce Robert I. Young of Buchanan county, as a Democratic candidate for Congress from the Fourth district subject to the primary election to be held August 8, 1916.

The boys who believe in preparedness may now be expected to become regular attendants at Sunday school as the shadows of Christmas draw near.

The St. Joseph Gazette, the Republican organ of the fourth congressional district, is already naming the Democratic nominee for congress. This is one of the Gazette's favorite pastimes. Picking out men for Democrats to vote for is its long suit. The all-important thing to the Gazette is to secure the congressman for St. Joseph. The Republican nominee is already agreed upon and will be a St. Joseph man. Now, if the Gazette can secure the nomination of a St. Joseph man on the Democratic ticket also, it's "heads I win and tails you lose." It's a sure thing game, and when the congressman does go back to St. Joseph, the country can whistle.

The death of Booker Washington brings to the front a Missouri negro who may become a worthy successor to Washington. Prof. N. C. Bruce, formerly principal of the Bartlett high school in St. Joseph, is now the head of a school for colored students at Dalton, Mo., fashioned after the Tuskegee institute, and is said to be doing a great work. His greatest achievement, perhaps, has been with a farm run in connection with the school. The exhibit of this little known Missouri school recently was awarded first prize on corn at the San Francisco exposition over all competitors. This is an achievement worth while, and stamps Bruce as a practical educator worthy of attention and encouragement.

MANY AT THE BANQUET.

W. R. Tilson Presided as Toastmaster and Speeches Made by C. A. Hawkins and C. C. Baker.

The banquet given last evening at the Afro-American club, at their club rooms, on East Second street, was attended by nearly fifty business men. The meal was served by the members of the club and was a fine one. W. R. Tilson acted as toastmaster, and Prof. C. A. Hawkins made a few remarks in regard to the advancement made by the colored race. On behalf of the club, Clarence Baker spoke of the purpose of the club.

Mr. and Mrs. B. B. Staples of Burlington Junction left last night for St. Joseph, where they will be the guests of friends.

Muffins

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

When muffins are on the breakfast table, nobody cares for meat or eggs and they would be served more often if this meal were not prepared so hurriedly that there is no time to make them. If K. C. the double-raise baking powder is used, the batter may be stirred up the night before, put in the pan ready for baking and nothing to do in the morning but bake them.

One-Egg Muffins

2 cups flour; 2 slightly rounded teaspoons K. C. Baking Powder; 1 teaspoonful salt; 1 cup sugar; 1 cup melted butter or lard; 1 egg; 1 cup water or milk. Sift dry ingredients together three times. Add to this the unbeaten egg, melted shortening and water or milk. Then beat all together until perfectly smooth. Oil muffin or gem pans and have oven slow until the muffins come to the top of the pan, then increase the heat to bake and brown the muffins. This recipe makes 12 large muffins. Raisins or currants may be added if desired.

Graham Muffins

1 cup graham flour; 1 cup pastry flour; 2 level teaspoons K. C. Baking Powder; 1 to 2 level tablespoons sugar; 1 teaspoonful salt; 1 egg; 1 1/2 cups milk or water; 2 to 3 tablespoons melted butter; mix and bake as One-Egg Muffins. Graham batter should always be quite soft to insure light and moist muffins. To get 88 other recipes as good as these, send us the certificate packed in every 25-cent can of K. C. Baking Powder, and we will send you "The Cook's Book" by Mrs. Janet McKenzie Hill. Handsomely illustrated. Jacques Mfg. Co., Chicago.

FOOTBALL GAME AT TARKIO.

The Thanksgiving Game Will Be Played Against the Fast Bellevue College.

Tarkio will have a great game on Thanksgiving day, when the college team will play the fast Bellevue college team from Bellevue, Neb., on the Tarkio college athletic field. Many from Maryville will probably attend the game.

Both teams have been playing better foot ball than they did last year, and both have good records for the year. Bellevue has just recently defeated the strong Trinity college team at Sioux City, Ia., while Tarkio has run up 109 points while her opponents gathered 119. Tarkio has played 3 home games, winning 2 and tying 1 in a 7 to 7 battle. The wearers of the purple and cream have been having some hard luck this year, as some of their best men have been out of the game when they met their hardest opponents. The men are all rounding into shape, however, and are planning on playing their best game on turkey day.

One more game is to be played by Tarkio, that being against the University of Omaha, at Omaha, on November 18, and this game looms big upon the Tarkio horizon. Last year the Peru normal team held Tarkio in a scoreless tie game battle, but Tarkio is determined that Bellevue will not repeat the trick this fall. Between 800 and 1,000 people witnessed the annual game last year, and a larger crowd is expected this Thanksgiving. There are bleacher seats for 800 along the center of the Tarkio field, and room will be made for reservations for at least fifty autos. These reservations will be given away free when at least four admission tickets are purchased at the time of reservation. These may be reserved either by letter or phone, call Jim Wilson or J. C. Elder. The game will begin promptly at 2:30 p. m., so that those from a distance may get home early. The game will be officiated by capable and impartial men from Kansas City, Omaha or St. Joseph. Bellevue has always given Tarkio a hard run, and this year promises to be no exception to their past records.

4,000 MILES ON CALIF. AIR

W. J. Campbell of Barnard, Returns From Trip to Coast—An Accompanying Ford Each Way.

Returning from a motoring trip to California and Mexico, in which he covered 7,433 miles, W. J. Campbell of Barnard came back home last week with California air in three of his tires, which he believes is a record for cross-country trips. Mr. Campbell drove a Ford car.

Speaking of his trip this morning, Mr. Campbell, who, with his little daughter, Ida Marie, started from Barnard June 28, said that the driving time going to the coast occupied twenty-two days, as they took their time in seeing the country, camping out at night. The return trip was made in thirteen days. He kept account of the gasoline and recorded seventeen and a half miles for each gallon used. Four extra tires were used on the trip.

The Lincoln Trail, the northern route, was taken going out and the Santa Fe trail coming back. Mr. Campbell visited the fairs at San Francisco, San Diego and other points along the coast, and on his way back took a chance at a dash into Mexico, in the hope of getting close to the "firing line," but says they saw nothing of the belligerent forces and were not molested on the trip.

"We are taking some pride in our good roads and the number of cars we have here," said Mr. Campbell, "but we are not in it with California, where they have the finest boulevards all over the state. A new rock road highway has just been completed from San Francisco to Los Angeles. We have very few cars here as compared with the thousands out there, and they use them the year round. The roads both going and coming were in good shape and better than we expected."

Going to California Mr. Campbell and daughter were accompanied by Lowell Campbell and family, who also drove a Ford, and returned earlier. On the homeward trip they were accompanied by his son, Grover Campbell, Mrs. Campbell and two children, also in a Ford. Six tires on the two cars made the trip to Missouri with California air.

Miss Jennie Purviance left last evening for Savannah, where she will be the guest of her niece, Mrs. Otis Morrison. From there she will go to Maysville to visit Mrs. Glen Crider.

Miss Alma Nash is the guest of friends in St. Joseph for the day.

Mrs. J. T. Karr is the guest of friends in Barnard today.

New Treatment for Bronchitis, Asthma, Catarrh and Head Colds

Vick's "Vap-O-Rub" Salve Relieves by Inhalation and Absorption. No Dosing.

No need to take internal medicines or habit forming drugs for these troubles. When Vick's "Vap-O-Rub" Salve is applied to the heat of the body, soothing, medicated vapors are released that are inhaled all night long through the air passages to

the lungs. In addition, Vick's is absorbed through the skin, relieving the tightness and soreness.

Vick's can be applied over the throat and chest and covered with a warm flannel cloth—or a little put up the nostrils—or melt a little in a spoon and inhale the vapors arising. Also for Asthma and Hay Fever, rub Vick's well over the spinal column to relax the nervous tension. 25c, 50c, or \$1.00.

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save Your Hair! Double Its Beauty in a Few Moments—Try This!

If you care for heavy hair, that glitters with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now.

HOSMER AT STOCK YARDS

Daily Journal Monday Gives Maryville Auctioneer's Views of Sales, Crops and Coming Prices in North-west Missouri.

R. P. Hosmer managed to get one day without a sale Monday, so he went down to St. Joseph. While browsing around the stock yards, a reporter for The Daily Journal found him and reports what was said thus:

"Col. R. P. Hosmer of Maryville, Mo., was a visitor at the stock yards today, Colonel Hosmer is one of the live auctioneers of northwest Missouri. His services are in great demand, especially at farm sales. He has sales booked for each day this week and next, with the exception of Thanksgiving day. Colonel Hosmer says farm sales are numerous throughout northwest Missouri this season. Good prices are being realized for live stock at the sales, he reports. A good many horses are selling at these sales whereas a year ago it was almost impossible to get bids on horses. Corn is selling in a range of 50c to 65c a bushel. There is a general feeling in the country that the corn yield has been greatly overestimated, Colonel Hosmer says, and the farmers believe prices are due to go higher."

ONE DOSE RELIEVES A COLD—NO QUININE

"Pape's Cold Compound" Makes You Feel Fine at Once—Don't Stay Stuffed-Up! Take It Now.

Relief comes instantly. A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

Give your Child Dr. King's New Discovery for Coughs and Colds.

Dr. King's New Discovery is a Doctor's Prescription used for over 45 years. It is pleasant and children like it.

You cannot use anything better for your child's cough and cold than Dr. King's New Discovery. It is prepared from Pine Tar mixed with healing and soothing balsams. It does not contain anything harmful and is slightly laxative, just enough to expel the poisons from the system. Dr. King's New Discovery is antiseptic—kills the cold germs—raises the phlegm—loosens the cough and soothes the irritation.

"I have used Dr. King's New Discovery for the past three years and use it continually in my family. My children are very fond of it for it keeps them free from cold. I can't say too much for it, and take pleasure in recommending it to my friends." Mrs. A. S. Haines, Franconia, N. H. "Don't put off treatment. Coughs and colds often lead to a chronic cough, pneumonia and other serious lung troubles. It is also good for adults and the aged. Get a bottle to-day. All druggists.

PUPILS INSPECT CRAIG DAIRY.

Fourth and Fifth Grades of Training School See Modern Equipment. Twenty-five pupils of the fourth and fifth grades of the Normal training school were taken to the dairy farm of Anderson Craig yesterday afternoon by Miss Irene Kemp and James W. Decker for an inspection of modern methods of dairying.

The pupils are studying dairying in their agricultural work. They were taken in busses from the Normal. The electric milkers, steam separators and other latest equipment were studied with interest by the boys and girls.

Fred Yeomans left last night for St. Joseph, where he will transact business.

NO. 143.

CHARITIES JOINED IN WELFARE BOARD

ONE REPRESENTATIVE FROM
EACH CHURCH AND CLUB.

F. P. ROBINSON, PRES.,
MISS OREAR, SEC'Y.

Mrs. G. A. Nash Elected President—
Emeritus and Resolution of Appreciation for Old Board Passed.

The re-organization of the city charity board into the Maryville welfare board, with a more representative membership, was completed last night at the Commercial club rooms. F. P. Robinson was elected president.

Membership in this board will be open to one representative of each of the following organizations: First Methodist church, Buchanan Street Methodist church, Baptist church, Presbyterian church, Christian church, St. Patrick's church, St. Mary's church, Maryville Commercial club, Twentieth Century club, P. E. O. society, M. I. Circle, Mothers' Circle, Daughters of the American Revolution, the public schools and the city administration.

Such organizations will be considered as members only in case they select annually a representative on this board. The mayor of the city shall, by virtue of his office, be the representative of the city. Any other organization which may apply for membership may be admitted by a majority vote of the board at any meeting.

A resolution of thanks and appreciation to the old charity board was adopted last night. All of the members of the board co-operated heartily in the re-organization into a central bureau of more modern methods of charity. They were: Mrs. G. A. Nash, who has been connected with the charitable work in Maryville for thirty-six years; Mrs. A. R. Perrin, Mrs. J. D. Frank, Miss May Orear and Mrs. G. H. Colbert.

The other officers beside the president were: G. B. Holmes, vice president; W. R. Jackson, treasurer, and Miss May Orear, secretary, who were elected by the executive committee. One other member of the executive committee, a finance committee of three and the eight investigators will be announced soon by the president.

Beside the officers and old charity board, the following were present: G. B. Baker, J. H. Thorp, Mrs. M. G. Tate, Mrs. J. E. Melvin, Mayor U. S. Wright. Some of these are permanent representatives of the organizations composing the board and others temporary. A full list of permanent delegates to the board will be made public soon.

The executive committee consists of the president, vice president, treasurer, the mayor of the city and one other member, to be selected by the president from the membership of the organization.

Eight or more persons shall be appointed annually by the president, to be known as welfare investigators, who shall keep in touch with the needs for relief in such territory as may be assigned to them by the president, and shall, at the request of the president

or secretary, investigate any calls for relief.

No member of this board will receive remuneration in any form, except that the executive committee may, in its discretion, pay the secretary such amount as it may deem proper. The executive committee may employ such investigators or visiting nurses as it may deem necessary and pay them therefor; and such investigators or nurses may be selected from the membership of this board or otherwise.

Its object shall be to look after the moral and physical welfare of the poor and unfortunate of the city of Maryville, and to administer such aid as may be deemed necessary from time to time.

For the purpose of conducting the work of relief of those in distress, the board shall solicit and receive contributions and donations of money, clothing, fuel and provisions and such other articles and commodities as may be useful in said work.

An annual meeting and election of officers shall be held on the second Thursday of October in each year. Audited reports of the treasurer will be published yearly. All vacancies occurring during the year in any office shall be filled by the executive committee.

Mrs. G. A. Nash has been elected President Emeritus of the Welfare Board by the Executive Committee in recognition of her thirty six years of active work in Maryville. The members of the Executive Committee expect her to assist them in an advisory capacity. Mrs. A. R. Perrin has been appointed as a member of the Executive Committee of the Welfare Board.

\$1.15 TO ST. JOE., NEW RATE

New Passenger Rate of 2½ Cents a
Mile Becomes Effective January 1.

The order of the state public service commission in the railroad rate case, in which certain increases were allowed in both passenger and freight rates, effective January 1, will affect passenger rates on both the Wabash and Burlington out of Maryville, the new rate being 2½ cents per mile instead of 2 cents a mile. The fare to St. Joseph on the Burlington will be \$1.15 instead of 92 cents after the first of the year.

The commission also issued an order effective yesterday, permitting the Great Western to sell through tickets again from St. Joseph to Maryville, via Conception Junction and the Wabash, for \$1.25. This order, in effect some months ago, was revoked, and the passengers for Maryville over these lines had to buy a ticket from St. Joseph to Conception Junction for \$1.12 and from that point to Maryville the cost was 28 cents.

CRUSHED IN LOADING STOCK.

Engine Backed Up, Catching J. O.
Thompson of Guilford.

J. O. Thompson, a prominent stock buyer of Guilford, was seriously injured while loading stock at Guilford Monday. The engine backed up and crushed him between the car and the stock chute. He was injured internally.

Mr. Thompson is resting easily today and it is expected he will recover, although the accident is regarded as quite serious. He is no better today.

B. H. Mooney, Mrs. Mooney and baby left this morning for Kansas City, where they will make their home.

INSTITUTE AND FAIR

CO-OPERATION OF TWO FARM ENTERPRISES PROPOSED.

WOULD AVOID CONFLICT

Corn Show Also Applies for State Aid
—Would Give Lecturers Large
Audiences.

A proposition for the co-operation of the Maryville Nodaway County Fair and Agricultural association, the State Normal school and the Nodaway County Agricultural and Domestic Science association, is being discussed by leaders in the three organizations.

The tentative plan is for the Nodaway county fair to be held about a month later and the Farm and Home Institute a little earlier, also the corn show and the domestic science exhibits. This was talked of last year and has been revived by the sale of the shares by which it is hoped to give the fair a general controlling ownership from all over the county.

The conditions are this way: The Farm and Home Institute needs farmers to attend. A fine course is put on by the Normal every year complete in every detail except audiences. The meeting of the Teachers' association this year gave the necessary hearers, but few of the real farmers of the county showed any interest.

On the other hand, the fair desires a higher tone and a more educational atmosphere than it has had. By having lecture courses in the morning under the auspices of the State Normal school and the regular features of the fair in the afternoon, an attraction would be offered which would increase the crowds at the fair and give the speakers at the institute real farmers to hear their agricultural addresses.

Another difficulty could be obviated in the applying for state aid for the prizes. The county fair and the corn show each make application for state aid in the awarding of prizes. A joint exhibit would be a benefit to both associations.

If nothing is done with the merging of the institute and corn show, it is probable that the fair will add educational features in the way of lectures and illustrated speeches by men from the college of agriculture to their morning attractions.

For it is the hope of a number of the owners of stock in the Maryville Nodaway County fair that the institution may be made more public spirited and more a possession of the people of the whole county. That was the principal reason for the placing of a controlling interest in the fair upon the market.

J. A. Ford, vice president, and J. F. Roelofson, secretary, have experienced little difficulty in selling shares where they have made a personal solicitation, but it is their desire that the people should want the shares enough to apply for them.

This interest has not been shown yet, but it is believed that the proposition is being discussed all over the county, and that action will follow when the public spirited men have been able to think the matter over thoroughly.

A desire is heard in the discussions on the street and in public places that all of the stock be offered for sale and that the entire ownership be by citizens of the county who would own the fair not as a money making proposition but as a public enterprise, to give the county an even better fair than it has been the last two years, by putting the surplus earnings into better attractions and increased facilities.

Motored to Des Moines.

Mr. and Mrs. O. G. Willhoite and daughter, Leora, and Mrs. M. J. Willhoite returned Saturday from Des Moines, Ia., after a ten days' visit with Mr. and Mrs. F. M. Taylor and other friends.

The trip was made in Mr. Willhoite's Oakland car in ten hours each way without puncture.

Mrs. Albert Baker left last night for Arkoe, where she will visit Mrs. Mollie Amos.

'MOOSERS WILL MEET

Several From Maryville Will Probably
Attend State Meeting of Pro-
gressive Party at Kansas City.

A number of Maryville Bull Moosers are planning to attend a state meeting of the Progressive party in Kansas City Saturday. Fred P. Robinson, John H. Sewell and Nathaniel Sisson will probably go from Maryville.

It is expected that every county in the state will be represented at the meeting. There will be talks by George W. Perkins of New York, "angel" of the Bull Moose party in 1912; Albert Norton of St. Louis, who was the Progressive nominee for governor in 1912, and I. R. Kirkwood of Kansas City, son-in-law of the late W. R. Nelson, owner of the Star.

It will be a "get-together" meeting, with a view to outlining plans for next year's campaign, and to receiving reports on Progressive sentiment in various sections of the state.

NORMAL'S 10TH YEAR

ANNIVERSARY TO BE CELE-
BRATED JUNE 13, 1916.

LOCATING BOARD INVITED

Presidents of Other State Schools and
Many Prominent Men Probably
Will Come.

June 13, 1916, will be the tenth anniversary of the opening of the first session of the Fifth District Normal School in this city. The first session was in the summer of 1906 with an enrollment of 273; the tenth summer session, 1915, had an enrollment of 540.

Plans are being instituted for a fitting celebration of the closing of the first decade of the school's history. They are only in the formative state, but it has been definitely decided that the growth of the school in equipment, standing, and environment fully justifies rather marked exploitation and recognition throughout the district.

The graduating classes of 1916, in conference with President Ira Richardson yesterday, voted to change the date of the Commencement of 1916 from May 21-23 to June 11-13. This will be two weeks after the beginning of the summer quarter and will give the summer students the privilege of attending the Commencement exercises. The usual exercises will be held with such other events befitting the occasion as may be determined later.

The board of regents will be asked to consider plans at their next meeting, and the Alumni association will work for a large attendance of the alumni and former students.

Members of the locating board and of former boards of regents will be asked to be present with the presidents of the other state educational institutions and many others who have interests in the school.

WILLIAM BLOOMFIELD DEAD.

Body of Former Resident Brought to
Parnell for Burial.

The body of William Bloomfield, who died Saturday at the home of his daughter, Mrs. Fred Carson, in Edmond, Okla., arrived in Parnell today and was taken to the home of his son, P. A. Bloomfield. Funeral services will be held tomorrow at Orrsburg. Burial will be in the Orrsburg cemetery.

Mr. Bloomfield was 78 years old and was an old resident of Nodaway county, having lived near Parnell until about fifteen years ago, when he moved to Oklahoma. He is survived by five children, P. A. and W. E. Bloomfield, Parnell; Mrs. I. M. Hefflin, Ravenwood; Mrs. Abner Burch, Lorena, Okla.; and Mrs. Fred Carson, Edmond, Okla. Mrs. Bloomfield died twenty-six years ago.

GREEK ANTI-KING RIOTS

Patras, Political Stronghold of Veni-
zeles, Protests Constantine's Pol-
icies—Night Duels in West.

Special to The Democrat-Forum.

Paris, Nov. 17.—The Balkan situation was the topic of discussion of the first joint meeting of the English war committee and the French military board, which was held here today.

Premier Asquith, Lloyd-George, Balfour and Sir Edward Grey were the members from Great Britain. This new policy is in line with the desire for greater co-operation among the allies.

News was received of three night artillery duels on the west front, and that a powerful Russian fleet was bombarding the Bulgarian Black sea coast was stated in a Bucharest dispatch.

Anti-King riots in Greece.

Athens, Nov. 17.—News of anti-dynastic riots against the king followed today's announcement that Constantine had expressed a desire for a discussion of the military situation with Kitchener.

The center of the disturbance was at Patras. The report indicates the king's inclination to adopt a less uncompromising attitude toward the allies.

Sofia, Nov. 17.—Prokupie, a Serbian town twenty miles from Nish, has been captured by the Bulgarians.

WM. CRAWFORD, 73, IS DEAD

Old Resident Succumbs to Attack of
Pneumonia Today—Funeral Ar-
rangements Not Made.

William E. Crawford died at his home at Graham this morning at 10:30 o'clock. Pneumonia was the direct cause of his death.

Mr. Crawford was born in Pennsylvania in 1842, and was 73 years old. In 1844, with his parents, he moved to Ohio. He enlisted in the Twelfth Ohio cavalry, and participated with his regiment in the capture of Jefferson Davis. He received his discharge at Nashville, Tenn., in 1865.

He returned to Ohio and in 1868 moved to Andrew county, Missouri. In the spring he purchased a farm near Graham, where he has since resided. He was married three times, and to the first union were born three children, to the second two, and to the last four.

He is survived by his wife and nine children, all of whom were at his bedside but John H. and Lloyd of Otis, Col., and Mrs. J. E. Davis of Spokane, Wash. The children are, besides the above named, Mrs. Mary Bell, Plattsburg, Mo.; Mrs. Josie McGrew, Maryville; Mrs. Ed McGoff, Barnard; Mrs. Roy Liggett, Stanberry, and Charles, Ed and Emmett of Graham.

Funeral services have not been arranged.

JOHN HENRY ALLEN DIES.

Old Resident of This County Succumbs
to Lung Illness.

John Henry Allen died at the home of his son, Robert Allen, near Bedison, last night at 6:40 o'clock, after a long illness. Cancer of the liver was the cause of his death.

Mr. Allen was born in Illinois and had been a resident of this county thirty-four years. At the time of his death he was 71 years old. The funeral services will be held at the Bedison church Thursday morning at 10 o'clock. Burial will be in Miriam cemetery.

Announcement.

We are authorized to announce Robert I. Young of Buchanan county, as a Democratic candidate for Congress from the Fourth district subject to the primary election to be held August 8, 1916.

The boys who believe in preparedness may now be expected to become regular attendants at Sunday school as the shadows of Christmas draw near.

The St. Joseph Gazette, the Republican organ of the fourth congressional district, is already naming the Democratic nominee for congress. This is one of the Gazette's favorite pastimes. Picking out men for Democrats to vote for is its long suit. The all-important thing to the Gazette is to secure the congressman for St. Joseph. The Republican nominee is already agreed upon and will be a St. Joseph man. Now, if the Gazette can secure the nomination of a St. Joseph man on the Democratic ticket also, it's "heads I win and tails you lose." It's a sure thing game, and when the congressman does go back to St. Joseph, the country can whistle.

The death of Booker Washington brings to the front a Missouri negro who may become a worthy successor to Washington. Prof. N. C. Bruce, formerly principal of the Bartlett high school in St. Joseph, is now the head of a school for colored students at Dalton, Mo., fashioned after the Tuskegee institute, and is said to be doing a great work. His greatest achievement, perhaps, has been with a farm run in connection with the school. The exhibit of this little known Missouri school recently was awarded first prize on corn at the San Francisco exposition over all competitors. This is an achievement worth while, and stamps Bruce as a practical educator worthy of attention and encouragement.

MANY AT THE BANQUET.

W. R. Tilson Presided as Toastmaster and Speeches Made by C. A. Hawkins and C. C. Baker.

The banquet given last evening at the Afro-American club, at their club rooms, on East Second street, was attended by nearly fifty business men. Muffins

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine.

When muffins are on the breakfast table, nobody cares for meat or eggs and they would be served more often if this meal were not prepared so hurriedly that there is no time to make them. If K. C. the double-raise baking powder is used, the batter may be stirred up the night before, put in the pan ready for baking and nothing to do in the morning but bake them.

One-Egg Muffins

2 cups flour; 2 slightly rounded teaspoonsful K. C. Baking Powder; 1 teaspoonful salt; 1/2 cup sugar; 1/2 cup melted butter or lard; 1 egg; 1 cup water or milk.

Sift dry ingredients together three times. Add to this the unbeaten egg, melted shortening and water or milk. Then beat all together until perfectly smooth. Oil muffin or gem pans and have oven slow until the muffins come to the top of the pan, then increase the heat to bake and brown the muffins. This recipe makes 12 large muffins. Raisins or currants may be added if desired.

Graham Muffins

1 cup graham flour; 1 cup pastry flour; 2 level teaspoonsful K. C. Baking Powder; 1 to 2 level tablespoonsful sugar; 1/2 teaspoonful salt; 1 egg; 1 1/2 cups milk or water; 2 to 3 tablespoonsful melted butter; mix and bake as One-Egg Muffins.

Graham batter should always be quite soft to insure light and moist muffins. To get 88 other recipes as good as these, send us the certificate packed in every 25-cent tin of K. C. Baking Powder, and we will send you "The Cook's Book" by Mrs. Janet McKenzie Hill. Handsomely illustrated. Jacques Mfg. Co., Chicago.

FOOTBALL GAME AT TARKIO.

The Thanksgiving Game Will Be Played Against the Fast Bellevue College.

Tarkio will have a great game on Thanksgiving day, when the college team will play the fast Bellevue college team from Bellevue, Neb., on the Tarkio college athletic field. Many from Maryville will probably attend the game.

Both teams have been playing better foot ball than they did last year, and both have good records for the year. Bellevue has just recently defeated the strong Trinity college team at Sioux City, Ia., while Tarkio has run up 109 points while her opponents gathered 119. Tarkio has played 3 home games, winning 2 and tying 1 in a 7 to 7 battle. The wearers of the purple and cream have been having some hard luck this year, as some of their best men have been out of the game when they met their hardest opponents. The men are all rounding into shape, however, and are planning on playing their best game on turkey day.

One more game is to be played by Tarkio, that being against the University of Omaha, at Omaha, on November 18, and this game looms big upon the Tarkio horizon. Last year the Peru normal team held Tarkio in a scoreless tie game battle, but Tarkio is determined that Bellevue will not repeat the trick this fall. Between 800 and 1,000 people witnessed the annual game last year, and a larger crowd is expected this Thanksgiving. There are bleacher seats for 800 along the center of the Tarkio field, and room will be made for reservations for at least fifty autos. These reservations will be given away free when at least four admission tickets are purchased at the time of reservation. These may be reserved either by letter or phone. Call Jim Wilson or J. C. Elder. The game will begin promptly at 2:30 p. m., so that those from a distance may get home early. The game will be officiated by capable and impartial men from Kansas City, Omaha or St. Joseph. Bellevue has always given Tarkio a hard run, and this year promises to be no exception to their past records.

Tickets on Sale for Entertainment.

Tickets for the ward schools' entertainment in the high school auditorium next Friday night are now being sold by the children. A program of plays, drills, songs and descriptive numbers is being prepared by the pupils of the Garfield, Franklin and Jefferson schools. It will begin at 7:45 o'clock and each school will have a half hour on each program.

Some "Fawney" Window Signs.

"Come in, U Won't Get Stung," is the invitation over a huge hornet's nest in the window of the Maryville Subscription agency. W. G. A. Edwards rather specializes in such heads. Last week an announcement of a candy sale said, "Come in, U Won't Get Stung."

Infant of Bert Lewis Dies.

The 3-months-old infant of Mr. and Mrs. Bert Lewis died Tuesday evening, after a long illness. The funeral was held at the residence this morning at 10:30 o'clock, conducted by Rev. G. S. Cox. The body was buried in Oak Hill cemetery.

John Adams of Dawsonville was a city visitor today. Mr. Adams is in the mercantile business at that town.

"Ham Actors."

From the Rehebeeth Sunday Herald. At one time Joe Jefferson was persuaded to accompany a friend to a new comedy production. The piece in itself proved to be inferior, and the comedians were even more so. On their way out the friends remarked that the comedians seemed nervous.

"What they need is life," he concluded. "You're too severe," said the gentle-hearted Jefferson, his grave face concealing internal laughter. "Ten years would be enough."

4,000 MILES ON CALIF. AIR

W. J. Campbell of Barnard, Returns From Trip to Coast—An Accompanying Ford Each Way.

Returning from a motoring trip to California and Mexico, in which he covered 7,433 miles, W. J. Campbell of Barnard came back home last week with California air in three of his tires, which he believes is a record for cross-country trips. Mr. Campbell drove a Ford car.

Speaking of his trip this morning, Mr. Campbell, who, with his little daughter, Ida Marie, started from Barnard June 28, said that the driving time going to the coast occupied twenty-two days, as they took their time in seeing the country, camping out at night. The return trip was made in thirteen days. He kept account of the gasoline and recorded seventeen and a half miles for each gallon used. Four extra tires were used on the trip. The Lincoln Trail, the northern route, was taken going out and the Santa Fe trail coming back. Mr. Campbell visited the fairs at San Francisco, San Diego and other points along the coast, and on his way back took a chance at a dash into Mexico, in the hope of getting close to the "firing line," but says they saw nothing of the belligerent forces and were not molested on the trip.

"We are taking some pride in our good roads and the number of cars we have here," said Mr. Campbell, "but we are not in it with California, where they have the finest boulevards all over the state. A new rocked broad highway has just been completed from San Francisco to Los Angeles. We have very few cars here as compared with the thousands out there, and they use them the year 'round. The roads both going and coming were in good shape and better than we expected."

Going to California Mr. Campbell and daughter were accompanied by Lowell Campbell and family, who also drove a Ford, and returned earlier. On the homeward trip they were accompanied by his son, Grover Campbell, Mrs. Campbell and two children, also in a Ford. Six tires on the two cars made the trip to Missouri with California air.

Miss Jennie Purviance left last evening for Savannah, where she will be the guest of her niece, Mrs. Otis Morrison. From there she will go to Maysville to visit Mrs. Glen Crider.

Miss Alma Nash is the guest of friends in St. Joseph for the day.

Mrs. J. T. Karr is the guest of friends in Barnard today.

New Treatment for Bronchitis, Asthma, Catarrh and Head Colds

Vick's "Vap-O-Rub" Salve Relieves by Inhalation and Absorption.

No Dosing.

No need to take internal medicines or habit forming drugs for these troubles. When Vick's "Vap-O-Rub" Salve is applied to the heat of the body, soothing, medicated vapors are released that are inhaled all night long through the air passages to

the lungs. In addition, Vick's is absorbed through the skin, relieving the tightness and soreness.

Vick's can be applied over the throat and chest and covered with a warm flannel cloth—or a little put up the nostrils—or melt a little in a spoon and inhale the vapors arising. Also for Asthma and Hay Fever, rub Vick's well over the spinal column to relax the nervous tension. 25c, all night long through the air passages to 50c, or \$1.00.

VICK'S "VAPORUB" SALVE

GIRLS! HAVE WAVY, THICK, GLOSSY HAIR FREE FROM DANDRUFF

Save Your Hair! Double Its Beauty in a Few Moments—Try This!

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now.

HOSMER AT STOCK YARDS

Daily Journal Monday Gives Maryville Auctioneer's Views of Sales, Crops and Coming Prices in North-west Missouri.

R. P. Hosmer managed to get one day without a sale Monday, so he went down to St. Joseph. While browsing around the stock yards, a reporter for The Daily Journal found him and reports what was said thus:

"Col. R. P. Hosmer of Maryville, Mo., was a visitor at the stock yards today. Colonel Hosmer is one of the live auctioneers of northwest Missouri. His services are in great demand, especially at farm sales. He has sales booked for each day this week and next, with the exception of Thanksgiving day. Colonel Hosmer says farm sales are numerous throughout northwest Missouri this season. Good prices are being realized for live stock at the sales, he reports. A good many horses are selling at these sales whereas a year ago it was almost impossible to get bids on horses. Corn is selling in a range of 50c to 65c a bushel. There is a general feeling in the country that the corn yield has been greatly overestimated, Colonel Hosmer says, and the farmers believe prices are due to go higher."

ONE DOSE RELIEVES
A COLD—NO QUININE

"Pape's Cold Compound" Makes You Feel Fine at Once—Don't Stay Stuffed-Up! Take It Now.

Relief comes instantly.
A dose taken every two hours until three doses are taken will end gripe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed-up! Quit 'c'owing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, tastes nice, causes no inconvenience. Be sure you get the genuine.

Give your Child Dr. King's New Discovery for Coughs and Colds.

Dr. King's New Discovery is a Doctor's Prescription used for over 45 years. It is pleasant and children like it.

You cannot use anything better for your child's cough and cold than Dr. King's New Discovery. It is prepared from Pine Tar mixed with healing and soothing balsams. It does not contain anything harmful and is slightly laxative, just enough to expel the poisons from the system. Dr. King's New Discovery is antiseptic—kills the cold germs—raises the phlegm—loosens the cough and soothes the irritation.

"I have used Dr. King's New Discovery for the past three years and use it continually in my family. My children are very fond of it for it keeps them free from cold. I can't say too much for it, and take pleasure in recommending it to my friends." Mrs. A. S. Haines, Franconia, N.H.

Don't put off treatment. Coughs and colds often lead to a chronic cough, pneumonia and other serious lung troubles. It is also good for adults and the aged. Get a bottle to-day. All druggists.

PUPILS INSPECT CRAIG DAIRY.
Fourth and Fifth Grades of Training School See Modern Equipment.
Twenty-five pupils of the fourth and fifth grades of the Normal training school were taken to the dairy farm of Anderson Craig yesterday afternoon by Miss Irene Kemp and James W. Decker for an inspection of modern methods of dairying.

The pupils are studying dairying in their agricultural work. They were taken in busses from the Normal. The electric milkers, steam separators and other latest equipment were studied with interest by the boys and girls.

Fred Yeomans left last night for St. Joseph, where he will transact business.
